**General Business**

The Board discussed the concerns, issues and the conflict with the engineer’s firms pertaining to and working on the East Warren Road Bridge project. The Board of Supervisors main concern is protecting the Township’s rights, cost associated and liability of this bridge project. Supervisors Mark Cline and Laree Sue Behan agreed that ETA, Inc. hasn’t worked in good faith with the Township. Supervisor Steve Mascho stated that ETA, Inc. is supposed to be a subcontractor for Laurel Highlands Structural and any legal matters should be directed to just Laurel Highlands Structural, not ETA, Inc. Both Mark and Laree Sue disagreed with Steve stating Laurel Highlands Structural has been doing their job by overseeing, including being onsite at the bridge and keeping the Board informed of the project.

- Motion was made by Mark Cline to approve and authorize the signing of the Engagement Letter for Special Counsel Legal Services with Knox Law Firm for legal matters concerning the East Warren Road Bridge Project.

Motion made by Mark Cline, seconded by Laree Sue Behan
